

Sproing Interactive Media is hiring a...

Online Game Programmer (m/f)

Sproing is one of Europe's leading developers of Free-to-Play online games, serving multiple platforms. Since our foundation in 2001, we have built a reputation of high reliability and high quality in developing our games. The studio is currently working on several AAA online games as well as on great console games, and its key clients are Ubisoft, Activision, Bigpoint and Gameforge.

We're now looking for an Online Game Programmer

Your tasks:

- Implementation of various features in our current online game projects
- Work on your task estimations

Your profile:

- General understanding of web technology, e.g. network-connections, security, etc.
- Experienced in client technology, e.g. Flash/AS3 or HTML/JavaScript/CSS
- Some experience in server technology, e.g. PHP or Java or C++
- General programming skills: OOP using C++ or Java

Ideally:

- Experience with HTML 5 is a plus
- Experience with C++ is a big plus
- Experience in gameplay programming from hobbyist projects
- Experience in developing Java or C++ based server applications
- Experience with databases management system, e.g. MySQL
- Experience in tools development (deployment, editors, etc.)
- A desire to progress as a person and take on higher responsibilities

We are offering you...

- Work on important and ambitious projects
- A creative, friendly and positive environment
- A high degree of autonomy and responsibility
- A stable work environment in a long-lasting independent developer
- Air-conditioned offices
- A wonderful city to live in

Sounds interesting? Apply directly via jobs@sproing.com!

Please only apply with demo samples and CV, labeled with your name. Digital portfolios and links to websites are very much appreciated. If a portfolio piece includes other people's work please specify what you did and to what extent.

Please note that due to the high volume of applications portfolios will not be returned!

We are looking forward to your application,

The Sproing Team!

Austrian work law binds us to indicate the legal minimum wage for each advertised position. For an entry level position, this would be € 2.009 per month, 14 salaries per year (Kollektivvertrag IT, ST1, Berufseinsteiger). The salary can be higher to recognize a candidate's experience and skill level.
