Sproing Interactive Media is hiring a...

Senior Online Programmer (m/f)

Sproing is one of Europe's leading developers of Free-to-Play online games, serving multiple platforms. Since our foundation in 2001, we have built a reputation of high reliability and high quality in developing our games. The studio is currently working on several AAA online games as well as on great console games, and its key clients are Ubisoft, Activision, Bigpoint and Gameforge.

We're now looking for a Senior Online Programmer

Your tasks:

- Implementation of major features in our current game projects
- Work on code architecture, task estimations and risk management
- Contribute to the continuous development of our tools and technology
- Guiding junior programmers (depending on the project)

Your profile:

- Knowledge of software architecture and design patterns
- Perfect understanding of web technology, e.g. network-connections, security, protocols, etc.
- Experienced in client technology, e.g. Flash, ActionScript 3, HTML, JavaScript, etc.
- Highly experienced in server technology, e.g. Java, C++, Linux, Apache, php, MySQL, etc.
- Solid programming skills in Java and C++
- Experience with C# (or other programming languages) is a plus
- Experience with Unity is a plus
- Ability to identify the risks, dependencies, and priorities in a project
- A love of video games
- Good English skills (written and oral)

Ideally:

- Experience in server and gameplay programming
- Broad technical knowledge (ex. hardware, other programming languages, etc.)
- Experience in developing Java or C++ based server applications
- Experience with databases management system
- Experience in tools development (deployment, build systems, editors, etc.)
- A desire to progress as a person and take on higher responsibilities

We are offering you...

- Work on important and ambitious projects
- A creative, friendly and positive environment
- A stable work environment in a long-lasting independent developer
- Air-conditioned offices
- A wonderful city to live in

Sounds interesting? Apply directly via jobs@sproing.com!

Please only apply with demo samples and CV, labeled with your name. Digital portfolios and links to websites are very much appreciated.

We are looking forward to your application,

The Sproing Team!

Austrian work law binds us to indicate the legal minimum wage for each advertised position. For a Senior position, this would be € 2.557 per month, 14 salaries per year (Kollektivvertrag IT, ST1, Regelstufe). The salary can be higher to recognize a candidate's experience and skill level.
