

We are pleased to present you the academic newsletter including our selection of the academic vacancies at [www.computeroxy.com](http://www.computeroxy.com) - your academic website exclusively dedicated to careers in schools of computer science and engineering worldwide.

#### Australia

- Research Fellow College of Engineering and Computer Science Australian National University
- Research Fellow Computer Vision and Robotics Australian National University
- Future Engineering Research Leadership Fellow Australian National University
- Research Fellow Department of Mathematics and Statistics University of Melbourne

#### Canada

- Tenure-track position in Computer Science and Software Engineering: Big Data Processing Laval University NEW!
- Canada Research Chair Cyber Security Concordia Institute for Information Systems Engineering Concordia University
- Professor (tenure) Electrical and Computer Engineering University of British Columbia

Interested to advertise your vacancies? Attract the attention of our academic audience of 120.000 professors, lecturers, researchers and academic managers of schools of computer science and engineering who receive our academic newsletters twice a month. Advertise your vacancies at

[www.computeroxy.com/vacancies](http://www.computeroxy.com/vacancies)

#### Denmark

- PostDoc position in Efficient Reservoir-Well Simulations and Interfacing Techniques  
Technical University of Denmark
- PhD scholarship in Software Defined Networking Technical University of Denmark
- PhD scholarship in Synthesis and Real-Time Implementation of DSP Algorithms for Nonlinearity Mitigation Technical University of Denmark
- PhD Scholarships in superconductor-semiconductor at the Center for Quantum Devices  
University of Copenhagen

#### France

- Professeur des Universites Departement Mathematiques Informatique Ecole Centrale  
Lyon
- Professeur universites Informatique Traitement de l'image et du signal Ecole Normale  
Superieure Paris

#### Germany

- Wissenschaftliche/r Mitarbeiter/in im Umfeld innovativer Zertifizierungsökosysteme im  
Cloud Computing Technical University Munich
- Postdoctoral Position in the research field of Fuel Cell Materials Development Chair of  
Technical Electrochemistry Technical University Munich
- PhD Position in High Performance Computing Department of Informatics Technical  
University Munich

Interested to advertise your vacancies? Attract the attention of our academic audience of 120.000 professors, lecturers, researchers and academic managers of schools of computer science and engineering who receive our academic newsletters twice a month. Advertise your vacancies at

[www.computeroxy.com/vacancies](http://www.computeroxy.com/vacancies)

- Senior Researcher Software Engineering University of Duisburg Essen
- Wiss. Mitarbeiter/in Institut fuer Softwaretechnik und Theoretische Informatik, FG Programmierung eingebetteter Systeme Technical University of Berlin
- Juniorprofessor in Applied Interface Electrochemistry Faculty of Mathematics, Computer Science and Natural Sciences RWTH Aachen University
- Pre - Doc/Post - Doc Stelle Social Media, Big Data, Informationsmanagement und Electronic Business University of Cologne

#### Hong Kong

- Tenure-Track Professor/Associate Professor/Assistant Professor Electrical and Electronic Engineering University of Hong Kong
- Professor in Robotics Faculty of Engineering University of Hong Kong
- Assistant/Associate/Full Professor Display Technologies Hong Kong University of Science and Technology
- Assistant/Associate/Full Professor Robotics and Autonomous Systems Hong Kong University of Science and Technology
- Visiting Assistant Professor Electronic and Computer Engineering Hong Kong University of Science and Technology

Interested to advertise your vacancies? Attract the attention of our academic audience of 120.000 professors, lecturers, researchers and academic managers of schools of computer science and engineering who receive our academic newsletters twice a month. Advertise your vacancies at

[www.computeroxy.com/vacancies](http://www.computeroxy.com/vacancies)

### Japan

- Professor of Computer Systems Tokyo Institute of Technology **NEW!**
- Professor Research Institute for Electronic Science Hokkaido University
- Assistant Professor ICT Support Division, Information Infrastructure Application Group  
Tokyo Institute of Technology **NEW!**

### Netherlands

- Post-Doc in Computer Network Security, Faculty of Electrical Engineering, Mathematics and Computer Science University of Twente

### Norway

- PhD Research Fellow in Language Technology at the Department of Informatics  
University of Oslo
- Associate Professor in Insurance Mathematics University of Oslo

### Sweden

- PhD student positions in CS/HCI Department of Applied IT Chalmers University of  
Technology
- PhD student position in Quantum Engineering Department of Microtechnology and  
Nanoscience Chalmers University of Technology
- PhD student position in Low-Noise HEMTs and amplifiers Microwave Electronics  
Laboratory Chalmers University of Technology

Interested to advertise your vacancies? Attract the attention of our academic audience of 120.000 professors, lecturers, researchers and academic managers of schools of computer science and engineering who receive our academic newsletters twice a month. Advertise your vacancies at

[www.computeroxy.com/vacancies](http://www.computeroxy.com/vacancies)

Switzerland

- Scientific Data Application Specialist Service and Support for Science IT University of Zurich

United Kingdom

- Lecturer/Senior Lecturer in Digital Design Electronic & Computer Engineering Brunel University **NEW!**
- Professor/Reader in Digital Design Electronic & Computer Engineering Brunel University **NEW!**
- Knowledge Transfer Partnership Research Associate Electronic Engineer University of Nottingham
- PhD Studentship in Innovative Computational Electromagnetics University of Nottingham
- Professor of Uncertainty Quantification Applied Mathematics, Statistics University of Nottingham
- Knowledge Transfer Partnership Associate Data Innovations Manager University of Nottingham

United States

- Professor of Electrical and Electronic Engineering University of Florida
- Research Assistant Professor Department of Electrical and Computer Engineering University of Florida

and many more at [www.computeroxy.com](http://www.computeroxy.com)
